## 2.1 Adding to a Dispute When You Already Have a Username and Password

If you already have a username and password, you can sign into the iMPROve Health portal. You will see a screen to search for the dispute.

Enter the **Dispute Number (DISP-XXX)** and click the **Search** icon.

If the search is successful, you should see the file open on the screen.

You are now ready to add to this dispute. Go back to **Section 2** for instructions on uploading documents to a dispute.

## **Section 3: User Profile**

Your **User Profile**, located on the **Settings** tab, is where you will make changes to your basic contact information. You can also change your email address and password here.

In order to make any changes, you must fill in your current password before saving. To change your password, fill in the new password box and retype it in the field below. A password must contain at least one capital letter, one lowercase letter, one number, and be at least six characters long. Click **Save**.
